Unknown & Unlimited Potential

Every download has an unknown potential and possible direction.

Without clear path of return for users or your downloads, chances of winning potential opportunities is greatly minimized.

Lost ROI

You have invested heavily in your website and one of its primary purposes is to deliver product downloads . . . but . . .

- **User identities are unknown**
- **Your contact info is not embedded**
- **Hotlinks to return & buy not embedded**

Potential ROI is abandoned with every download.

Brand & Hotlink Parts, Manufacturers & Categories

PDF REMARKET

- Stamp every document with your brand & contact information
- Hotlink every part number back to your site's web page
- Hotlink every category name back to your site categories
- Hotlink manufacturer names to profile pages on your site
- Hotlink other key words / phrases to desired pages on your site

Unknown Lifespan and Direction

Through your website, we have:

- Every part number and its related web page
- Every Manufacturer and related profile page
- Every product category and related page

Our application crawls your pdf library, stamps an appropriate branding identity and makes every part number, name and key word a hotlink returning back to your desired page.
